Dear Mr. Casey:

Thank you for your recent response to the Palm Beach County Bar Association's invitation to appear as a guest speaker at one of the Association's monthly meetings. We are sorry that none of the meeting dates that we gave you were convenient. However, we would be very pleased to schedule you for a future date. The Palm Beach County Bar Association generally holds its meetings on the second Monday of each month all year. If you would let us know which date in the future would be convenient for you, we would be happy to schedule you for that time. We are also able to make a change in dates for another weekday that would be convenient, if we were to have sufficient notice in order to appropriately publicize the meeting.

Our association has 1,158 members and is one of the largest and most active county bar associations in Florida. We would be honored to have you as our guest, and to cover your travel expenses, for any future meeting date that is mutually agreeable.

We look forward to hearing from you.

Yours truly,

TWG/pab
